Dear Jem,  

You publish an excellent little magazine. I was surprised at the amount of news that was in it, far more than I knew. Many of the people you mentioned in the first issue are in my sub. for a continuation.  

Your expenses must be met and if there is a general donation all money would be glad to be in it. Please tell me.  

The Macaroon O.C. here John Kelly read the newsletter and he too was surprised at the amount of news it contained. He was especially pleased to see Paul Jemings mentioned.  

Some day I shall see you, Jem, before you knew me. Many regards to that.  

Yours sincerely,  

Bill Gaddington
